

TESTtalk

Engineering Licensure and Further Education

When: October 18th, 5:30-7PM

Where: Busch 100

5:30 Engineering Licensure Information

6:15 Preparing for the GRE/MCAT

6:45 Questions

7:00 Conclusion of Event

Join SWE, NSBE, and ASME for an informational session about Engineering licensure and graduate school! For the first portion of the event, Bob Becnel, a Professional Engineer himself and a professor of Mechanical Engineering at WashU, will be speaking about the process of becoming a registered PE. For the second portion, Kaplan representatives will be offering insight into the GRE and MCAT and how to prepare for each.
